“ In my twenty-five years of teaching, I have known literally hundreds of kids. There are a few good ones who stand out in my memories. Amber is one of those. She was a quietly kind young lady who seemed to love everyone. I see the same in Karson. Karson, continue to be the sweet soul you are to keep that love and kindness alive and to honor your sister's memory. I am deeply sorry for your loss, but know that my life is better for having known Amber and for knowing you. Love, Coach McHan
