“*Betty was the dearest friend I've ever had in this life. It's difficult to find beautiful words enough to paint a likeness worthy of the Christ-centered life that was Betty's. I could never condense meager words to describe what she's meant to me and my family. Her generosity was that of the Spirit, but she was also generous with her every gift and talent, in service to others. So smart, so wise, kind, gentle, and genuine! I will strive the remainder of my days to be more like her, which means to be more like Christ! She lived her life to be Christ's hands and feet. Many work days she stayed late to go back to see a patient with whom she'd gained a rapport, who was open to hear and receive the Gospel of Christ. She'd pray with them and leave a Gospel tract. I'll close now with thoughts of our precious friend in the arms of Jesus seeing Him face to face, as He promised!*”

“*Beth, I know how much you loved your mom and how much she loved you. She was no doubt so proud that you followed in her footsteps and became a nurse. I know that as a caregiver you rejoice that she's free from mortal suffering and as a daughter you miss your mother. Wishing your whole family peace and love as you say your good-byes. Much love to you and Rich, JC and Lindsey. 🙏*”
