“ Mona, I am so sorry to hear about your mother. I have such fond memories of both your parents. I always felt welcomed at your parents home. Your mother was so kind to me and I remember they came to my daddy's viewing. I love you Mona and I loved your mom and dad. May God comfort you with sweet memories. With love, Beckie Vaughan Childs

“ I was honored to know Mrs. Betty and get to style and cut her hair. She was definitely a blessing to me. I surely will miss her tremendously. Praying for her girls and the rest of the family. My heart is broke from the news of her passing. 💔 But I know she is resting easy with her Saviour along with her sweet precious husband now.

“ *I am so sorry for your loss.
I went through High School with Betty and Arron.
It is hard to think of Betty without remembering Arron, also.
They were together for such a long time.
Arron has been missed and Betty will be missed at our class reunion each year.
