“ *When I worked with Long Family Funeral Homes, I worked at Blountsville Funeral Chapel. I worked with Betty several times. I'm saddened to hear this has happened, she was such an amazing woman, she was Blunt and not afraid to share what she wanted to say. That's what I loved about her. Rest In Peace Mrs, Betty. I'll miss you!*

“ *I will always remember going to Betty's house with her sister, Carolyn when we were growing up. We always had such fun. I know we probably drove her and Earl crazy. We would ride their horses and just have a great time. I will always remember her laugh, or should I say, snicker? It was infectious.*

Just know that I am praying for you as a family during this time.

Blessings,
