“ I was blessed to have had this beautiful lady as an aunt. She always had a huge smile and ask about me and my family. She was a wealth of knowledge and worked tirelessly on building a family tree of the Standridge family. She was a talented seamstress who created lovely items for all. Aunt Billie Ann brought joy to all those around her and the light of our Lord shown bright in her. She will be missed. I'm so thankful that she was a part of our Earthly family. She is forever my heart.
