“ So many memories from childhood to now . From growing up going to Austin Creek to having kiddos and making memories with them, Christy and all.. I have to say one memory that stands out the most would have to be " Hey Bird, come mere Bird" 😊. Bird walked down that hall 3 times for you to say nothing 😊. I know you, Bird, Chubs, and Gump are having a good ole time.. Till we meet again my friend. Fly high and may you R.I.P.
