“ My sweet nephew, David James. You were so generous, cooking and sharing so much food. Going to great lengths to decorate months in advance for Halloween, to bring joy to children. Dressing up as Santa at Christmas, also to bring joy to children. Rescuing and loving dogs. You sent me unexpected and much appreciated Christmas gifts, and sent Halloween candy to my grandchildren. You loved me unconditionally, as I did you. I will so miss our talks, and watching you grill. Rest in Peace, sweetheart. I love you. Aunt Bonnie
