Several year ago I had locked my keys in my vehicle at the old Chevron station at Rainbow Crossing. Jerry had come out of the station & saw me trying to gain access to my door. He did not hesitate in helping me get into my car so that I could head on to work. He was such an awesome friend to me in my time of need. Also, Jerry, Jo Ann, and their entire family were regulars at our restaurant for 25+ years. Such a wonderful family to know. So many stories to share of our friendship with this family, however, I'll give others the chance to share some. We will definitely miss Jerry's smile...he always seemed to carry one each time we saw him.
