“ Jerry was like a second momma to me and all my brothers & sisters. I grew up with her kids Denise, Rusty, big Bubba, Little Bubba. I have enjoyed many of great times together. While our parents all played rook and talked on some weekends, all us kids would play outside at night or down in the woods on weekends in the day time. I remember going out to her house and helping her kids bring in coal from the coal pile for the old stoker heater they had to heat there house with. There is so many great memories about Momma Jerry Timmerman that I will always cherish. She will always be in my heart & memories always cause I loved her very much. I would see her sometimes when I would go up to my moms house (Betty Osborn). Jerry would be outside in her yard or walking to her mailbox. I would walk down the side of the road and give her a hug and we would talk for a few minutes. My heart & prayers for all the family at this time. God Bless you all. Marie Osborn Farmer Dodd
