“ *I just remember him being here most all my life ❤️! And all that time...every memory of him is connected with, so good, honest, loved his family above all, worked hard to provide the good life for his family that he did, I lived him because he was family and you could not HELP but love him. What a party there is that is STILL going on in heaven over his arrival!! Enjoy Jimmy...you deserve it. Hug Aunt Doris and Uncle Eugene and Granny, and of course my sweet Mamma and Daddy❤️ We that love Jesus will see you soon!*

“ *I remember playing in the pasture across the road from Mama Dorning's house dodging cow piles. We all laughed and had such a good time that day. We were all Young enough then to run without falling down with pain. I love you so much and will miss you too. RIP until I see you again in heaven my sweet Uncle.*
