“ *One of the fondest memories of my childhood is of Junior and Linda Collins. I am Junior's cousin and he is 7 years older than me and was dating Linda when we attended the Nazarene Church. After church on Sunday I would go home with the Underwood's (Linda's family), and after we ate the kids all gathered under a big tree outside and I would entertain the teenagers by preaching every word I had ever heard in a sermon. I remember them laughing so hard at me. I know today Junior and Linda are laughing once again now that they are together. Prayers for all the family.*
