“ *Aunt Kate, my mother, Doris McCay (her sister) and I made several short vacation trips together. All my memories are of sweet times Aunt Kate and I have shared since mother passed in 2005. She has been my mother and I love her dearly. I have spent as much time as I could with her and there will be a huge void in my life. She is living in a new and beautiful home.*

“ *My best memories are times spend with Granny and Aunt Kate (sometimes joined by Aunt Marjorie) as they quilted in the basement. Many hours were spent playing under that quilt frame as they talked.*
