“ *Gayle, I've shared with you the memory of you and Leroy when you were still in high school watching you talk and laugh together. I don't know why this has always stayed with me but I can still see your faces and smiles. It is beautiful that your love endured all these years. I'm sure you have many wonderful memories. What a blessing!!! 🙏🙏🙏*

Gayle, I'm so sorry for your loss, Leroy was my best friend as we were growing up, and I will cherish all the great fun we had! We played ball and chased fire flies all over the Pasture down in front of Grandmas house back when we weren't afraid of anything! I'll always remember when we all worked at HD Lee in Guntersville, when we were all stressing over something we didn't like, he was over there chilling out, walking around like he didn't have a care in the world! That was Leroy though!! I won't be able to come in person, but I want you to know I love Y'all and am asking God to send down his love and comfort to you and your family💎💎💎
