“ *I go back over generations with the wray family.. Growing up, Michael Allen Wray was my best bro ... And. then came Robbie.. if you knew him that says it all, He would come through the door, guitar in hand ready to pick and sing for me as long. As I listened. This world has lost a beautiful soul but heaven has gained.... R I P Robbie, you will be missed. Love you, Kennetha Fortson*

“ *I just saw Kayla's post and was heartbroken to see that Robby had passed away. I was privileged to have taught Robby at the Career Tech Center and I always thought that he had something special. He was happy, kind, and had leadership skills that shined through. Prayers for his family and friends. Sharon Smith*

“ I am so sorry for your loss. I taught Robby in first grade and he was such a smart young man. He was very active and tried my patience sometimes, but I told his grandmother that he would rule the world one day. :-) He was a leader and had lots of first-grade friends. Prayers for his family.
