“ *Seburn Johnson , the true definition of a godly man! I have never met a better man than him! And to hear him preach you could feel the Holy Spirit you knew he was there! I am blessed I got to call him my uncle seburn something I have always been proud to say! He is one of the best men I have ever known. He will forever hold a light in my heart that will never go out as long as I live! A fine man it saddens me that his time here is gone but I feel joy knowing he is with Terry now and they are once again together!* ”
